

SLEEK & NATURAL

Yaki hair is one of the most popular products for weaves and extensions

PUFFY YAKI

By using low heat, you can work with the natural texture of the hair without compromising its feel. The bangs were kept long and full for added drama.

For a natural feel, style with low heat at 270°F

R&B songstress Natasha, flaunts 3 Ultima Yaki styles. Created with organic natural protein, Ultima is the closest thing to human hair.

The collagen protein gives Ultima a soft, lustrous appearance, natural look and feel which is similar to human hair. Ideal for extensions, weaves, braiding and wigs.

SOFT YAKI STRAIGHT

Cut to highlight all of its sharp angles. To balance out the points, slightly cover one eye to exhibit a sexy contrast. A sleek finish is achieved by using a water-based crème followed by a light bevel.

Create long bangs and flat iron with serum.

SOFT YAKI

Graduate the hair on an angle with precision. Long hair needs to be shaped for an authentic look. Use a flat iron with an oil-free serum.

Cut hair on a sharp angle and flat iron bone straight.
