

# All About Weaves

Made with Ultima organic protein hair

Prota weave extensions made with Ultima natural collagen protein hair are similar to the look and feel of human hair. **Soft, lustrous, easy to braid and weave.** On this page, 3 inspiring designs styled by Ngone Sow of Soween Salon, Brooklyn, NY. Demonstrated at The Natural Hair Show, April 2010, Atlanta, GA.

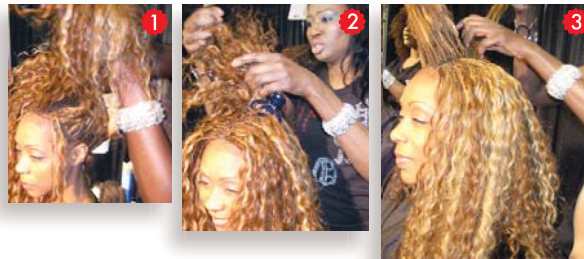

## Kinky

Prota Kinky natural organic Kinky Twist/Kinky Interlock. Can be styled as an Afro look, Tree Braid, Kinky Twist and Afro Puff. Easy to style and maintain.

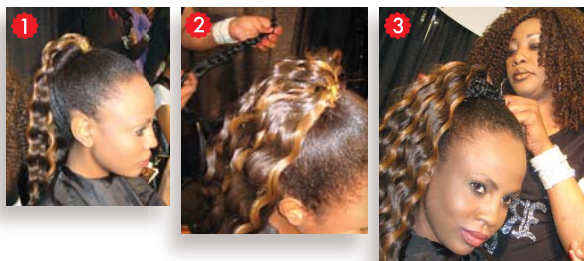

## Super Wave

Prota Super Wave. Regular individual micro braid with natural collagen has Prota highlight #2730. Easy weaving, will last approximately two and a half to three months. Water mist and conditioning will restore the hair to a fresh, just styled look. Finish with IC hair polish.

## Regular Slick Ponytail

Regular Slick Ponytail by Prota with Loose Perm Bulk. Pin individually like a ponytail –Regular Goddess Braid. Wrap around as a ponytail. This will give the hair a set up look. To change up the style, the hair can be restored to a ponytail.
